World Water Week in Stockholm is organised by Stockholm International Water Institute (SIWI) and is the world's leading annual water event.

WWW.WORLDWATERWEEK.ORG
#WWEEK

World Water Week specially invites everyone under 35 to take part in the Young Professionals' Day, a day focusing on motivating and empowering young people. The theme for 2015 is Career Paths and it will give you inspirational and useful insights on how to get started. Free of charge you get access to the following activities:

EVENTS

- Keys for Successful Youth Engagement in Water for Development
- Technological Innovations & New Media:
The Future of Development
- Inspire Youth to Become Water and Development Ambassadors

OTHER ACTIVITIES

- Young Professionals Mingle, Sunday 23 August
- Ideas' Marketplace
- CV Clinic
- Young Professionals Booth
- Mingle and Dance, Thursday 27 August (limited tickets, pre-registration required)
- Stockholm Junior Water Prize Award Ceremony, Tuesday 25 August (limited tickets, pre-registration required)
- All World Water Week events between 14:00-17:30
